Re: Ole Miss documentary project
Date: March 31, 2009

Governor,

Dr. Andy Harper, who heads up the media and documentary projects center at Ole Miss, has asked for your participation a project: He would like to video your comments on the significance of last fall's Presidential debate for Mississippi.

They can video this as soon as Friday if you are interested. It should take about 30 minutes.

Yes, schedule with Kay _____

No _____
